Nova Terminal

Optimize your business payment processes with our new generation payment device.

Nova Terminal is a multifunctional capabilities TPV. Hardware + software unified to an Android operating system that facilitates shopping experience.

Accept credit and debit cards from it's touch screen in a 100% secure environment. It also has an option to bill with American Express⁽¹⁾ and defer purchases to interest-free months MSI.⁽²⁾

(1) To accept American Express cards, it will be necessary to contract AMEX duality program.

(2) For interest-free monthly payments (MSI) a program application is requested. Include cards issued in Mexico by: HSBC, Afirme, Banco Azteca, Banco del Bajío, Banca Mifel, Banjercito, Banregio, Banorte, Falabella, Inbursa, Invex Banco, Liverpool VISA, Santander, Scotiabank, Rappi Card. Banco Multiva, Hey Banco, Suburbia VISA, Caja Morelia Valladolid and Crediclub, exclude corporate cards.

How does it work?

Commerce receives its "Nova Terminal".

1.

2.

A qualified specialist will visit you and get your terminal up and running, ready to operate.

Insert, swipe or tap to accept card payments.

3.

4.

Get paid in seconds, instantly printing the sales voucher.

How can I get it?

Provide your documents and application to your executive.

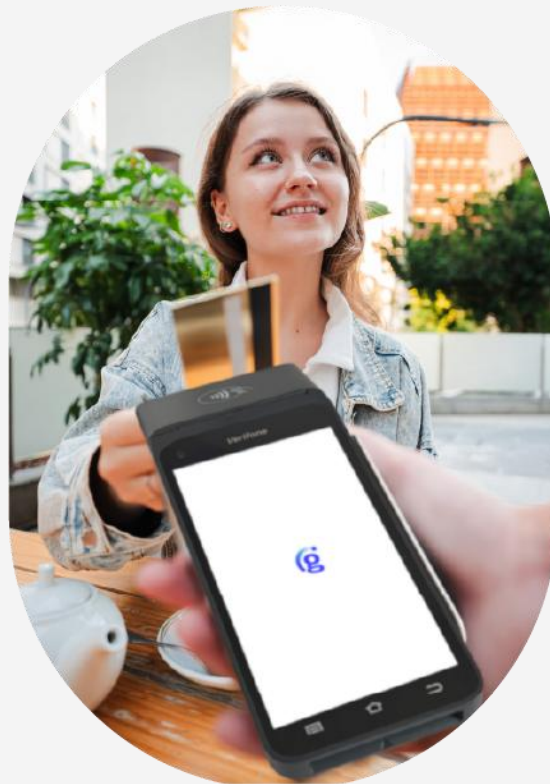

We will confirm if your application has been approved, then you will receive an email with your access details.

You will receive confirmation of your Nova Terminal's implementation.

Nova Terminal will be ready to receive card payments.

Nova Terminal

**The unified payment experience app
